Response to Restriction Requirement

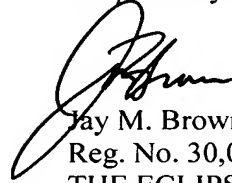

Sir:

The present response is in reply to the Official Action mailed on April 18, 2005. The Official Action required restriction of this application to Group I, including claims 1-13 and 19; or Group II, including claims 14-18 and 20.

Applicants accordingly elect Group I, including claims 1-13 and 19. This election is made with traverse, and Applicants do not accede to and make no admission whatsoever with regard to the characterizations of the invention and claims stated in the Official Action.

Applicants make this election without prejudice and reserve the right to file divisional applications directed to the non-elected claims.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Jay M. Brown", is written over the printed name.
